Subject: Lynn Canal Highway Project

To Whom It May Concern:

As a long time Juneau resident, I am extremely familiar with the extreme expense in time, money & convenience our current Marine Highway costs the people of Alaska.

Nearly 50 years ago, when ships, infrastructure & employees weren't as costly, engineering technology wasn't as advanced, & a large percentage of Alaskan's lived in Southeast, the Marine it was a huge improvement over what we had.

Now, the time has come to move forward with a Highway up Lynn Canal. It would be irresponsible to not improve transportation access for the next generations of Alaskans.

Therefore, I support the Lynn Canal Highway project as proposed in the STIP & encourage you to provide full funding.

Thank you,

Karen Hansen
